

Status Report for PhiQuest Team for Week #10

What were the goals for this week?

1. Build the administrator account management dashboard within our administration dashboard site.
2. Update wireframe documents with new specifications for the DocBridge.io metrics dashboard.
3. Edit the project specification document with the feedback provided by Dr. Christensen in the project demonstration.
4. Edit the test case document with the feedback provided by Dr. Christensen in the project demonstration.
5. Coordinate with PhiQuest to find a solution for imprinting the DocBridge signature verification into a PDF.

What goals were accomplished this week?

1. Build the administrator account management dashboard within our administration dashboard site.
2. Update wireframe documents with new specifications for the DocBridge.io metrics dashboard.
3. Edit the project specification document with the feedback provided by Dr. Christensen in the project demonstration.
4. Edit the test case document with the feedback provided by Dr. Christensen in the project demonstration.
5. Coordinate with PhiQuest to find a solution for imprinting the DocBridge signature verification into a PDF.

Reflect critically on any goals not accomplished.

We did not fail to accomplish any goals this week – there were difficulties with the server issues that PhiQuest is experiencing, but we will be back to normal next Monday (04/01/2022).

What are the goals for next week?

1. Solidify final deliverables with PhiQuest through a one hour project planning meeting.
2. Build the DocBridge.io metrics dashboard to display statistics and data on extension usage and membership statistics.
3. Reorient team development on the new PhiQuest GitLab server.
4. Plan and develop final demonstration deliverables.

How many hours were spent on each goal noted above?

Ethan Wuitschick - (1) hours on goal 1, (1) hour on goal 3, (1) hour on goal 4, (2) hours on goal 5

Allen Chang - (4) hours on goal 1, (2) hours on goal 2

AJ Barea - (2) hour on goal 1, (1) hours on goal 3, (2) hours on goal 5
